

Market Leaders, Not Misleaders

We are the UK's largest independent supplier of parts for all makes of coaches, specialising in **Neoplan, Setra, Mercedes and MAN.**

How we do it...

Our company was founded by members of the original team who introduced Neoplan into the UK in the early 80's, through the original importer Carlton PSV. Our exclusive global supply routes have evolved from relationships forged during this period giving us the unique ability to provide our customers with Original Equipment parts at competitive prices. These supply routes benefit our customers by eliminating the need for them to rely on or be tied to a truck dealer network whose knowledge and enthusiasm for the PSV market is limited.

Even if you think the item you require is a 'main dealer only part' we are invariably able to supply it.

Ordering couldn't be easier (5pm cut-off)

Our highly trained and industry experienced parts specialists are on-hand to take your order or help with your enquiry, simply call:

 **+44 (0) 1777 863200**

What makes us different...

Our experience...

When it comes to coach parts, there's not much we don't know. Our team is made up of highly trained parts specialists who offer unequalled levels of industry knowledge and expertise resulting in an easy ordering process, saving you time and effort.

Our dedication...

We are committed to providing our customers with a comprehensive source for all their parts requirements. We stock a comprehensive range from chassis parts, engine parts, exterior panels & bumpers to interior fittings & trim. We have the ability and resources to supply the part you require simply by the vehicle registration number alone.

Our ability to deliver...

We are the UK's largest stockist of parts suitable for mixed fleet operations. Our 5pm cut off time for next day delivery ensures you are back on the road faster and more efficiently than other supply routes. Whilst specialising in Neoplan, Setra, Mercedes and MAN we are also dedicated to supplying parts for other vehicle manufacturers.

NEOPLAN

- Starliner - Tourliner - Skyliner - Euroliner
- Cityliner - Jetliner - Transliner

SETRA

- S431 - S416 - S415 - S328 - S315
- S250 - S215 - S210

Mercedes

- Tourismo - Touro - Tourino - 0404 - Citaro

MAN

- Noge - Beulas - Marcopolo - MCV - Plaxton

Engines & Components

Note: these parts only represent a very small selection of what we stock.

Mobile Diagnostics

Did you know we have one of the UK's leading PSV technicians?..

With a wealth of industry experience, Richard Carpendales knowledge and technical know-how is unrivalled in the bus and coach market.

To make your life easier Richard travels nationwide in order to identify and rectify your vehicles fault. It has been proven to be more cost effective than using a local 'truck dealer' who, due to their inexperience within the PSV market, would spend a copious amount of time investigating the defect, generating excessive costs in the process.

Specialist service examples...

- *Mechanical and Electrical*
- *ZF, Allison & Voith diagnostic and repair*
- *Air conditioning repair and servicing*
- *Webasto service and repair*
- *ABS, ASR, EBS diagnostic and repair*
- *Steering axles / articulation diagnostic and repair*
- *Neoplan, Setra, Mercedes, MAN engine management*
- *Door air management systems diagnostic and repair*

Air Con service and repairs...

Offering a full on-site mobile air conditioning service.

Depend on our knowledge and trust in our experience
